PROFILE

Self-taught Full-Stack Developer with a passion for crafting innovative digital solutions. With a strong problem-solving mindset and a knack for staying up-to-date with industry trends, I thrive on turning complex challenges into elegant, user-centric web applications. My journey of self-education reflects my dedication to continuous learning and my commitment to delivering high-quality, scalable, and engaging web solutions.

SKILLS

JavaScript | TypeScript | React | Next | Node | Amazon S3 | NextAuth | Tailwind CSS | Git | Frontend | Backend | Android | Unity 3D | Adobe Creative Suite | HTML | CSS

PROJECTS

Full-Stack Web Application - **Moments by Kerri Coy** | www.momentsbykerricoy.com

- Created a responsive web application using Next.js and React.js for Moments by Kerri Coy, enhancing the photography business's online presence.
- Implemented AWS S3 integration for seamless image storage, designed a user-friendly admin page with image management tools, and ensured security using NextAuth.js for authentication.
- Crafted an engaging user experience with Tailwind CSS, featuring a fully functional contact form that sends client information directly to the business email, ensuring scalability and ease-of-use.

EXPERIENCE

BuildASoil ~ **Junior Frontend Developer**

Remote

06/2022 - 06/2023

- Supported Shopify ecommerce site across multiple platforms (mobile, tablet, desktop) as well as supporting third-party and internal applications.
- Worked closely with Senior Developers to enhance/learn new skills and best practices.
- Consistently managed and closed internal tickets, as well as communicated on and assisted with cross-functional projects.

Great Lakes Cheese ~ **Marketing Specialist**

Hiram, OH

01/2021 - 06/2022

- Fostered strong collaborations with third-party vendors, ensuring timely delivery and quality of client packaging materials.
- Served as key client liaison, aligning services with unique requirements, exceeding client expectations through proactive communication.
- Implemented rigorous quality assurance, collaborating with cross-functional teams and clients, resolving challenges and enhancing customer satisfaction.

EDUCATION

The University of Akron ~ Bachelor of Business Administration: Marketing Management
